

High-Performing Post-Acute Care Network

Cooper recognizes and respects patient choice. You are welcome to choose any organization you wish for care after you or your loved one leaves the hospital. Patients and their families often look to us to provide options that we believe are in their best interest. Through the formation of a High-Performing Post-Acute Care Network, we can recommend an organization with confidence. Our Network partners are dedicated to the same goals we are:

- Better Quality Care
- Reduced Cost
- Higher Patient Satisfaction

Take the 7-Day Pledge

It is our goal to ensure that all hospitalized patients at Cooper University Health Care meet with their primary care provider within 7 days of discharge, if medically necessary.

Let's take the pledge together.

The Pledge

- **I acknowledge** that seeing my doctor within 7 days of discharge from Cooper University Health Care or a skilled nursing facility can reduce the likelihood of being readmitted to the hospital.
- **I pledge** to do everything in my power to ensure that I schedule a primary care appointment within 7 days of my hospital or skilled nursing facility discharge if my doctor says that it is necessary.
